

# MacDon Industries Ltd. Receives Agriculture in the Classroom Award

*Submitted by Gene Fraser*

**T**o honour MacDon's contribution to their organization, Agriculture in the Classroom Manitoba presented Gene Fraser, Director of Marketing with a Member Recognition Award.

Agriculture in the Classroom's mandate is to bring agricultural awareness to Manitoba classrooms and to promote an understanding of sustainable agriculture and food systems. MacDon has supported the group in a number of ways, including providing funding and hosting events such as the Annual General Meeting at the MacDon Exhibition and Training Centre at the 590 Moray Street facility.
